

## Call for Papers

The German Institute for Economic Research (DIW Berlin), the German Center for Higher Education Research and Science Studies (DZHW), the Leibniz Education Research Network (LERN), and the College for Interdisciplinary Educational Research (CIDER) are delighted to invite you to the

### CIDER-LERN Conference 2021

October 7–8, 2021

Leibniz Geschäftsstelle, Berlin.

The conference will bring together scholars from various disciplines to discuss findings as well as methodological and conceptual issues associated with educational research. The general aim is to extend the CIDER network to other LERN institutes, universities and research institutions in order to support interdisciplinary cooperation among educational researchers. All doctoral and post-doctoral researchers are invited to participate by presenting their own work in a paper presentation, a poster, or a round-table talk.

Topics of the event will be related to the following research areas:

- Early Education and Care
- Higher Education
- Transitions into and from school

We are happy to announce the following formats:

#### 1. **Keynote Lectures**

Prof. Dr. Ariel Kalil (University of Chicago)

Prof. Dr. Richard Arum (University of California, Irvine)

2. **Paper Session**, where individual papers can be presented for 15 minutes and discussed with other researchers of the field.

3. **Poster Session**, where research projects, preliminary findings, and datasets relevant to educational research can be presented.

4. **Round-Table Talk**, where work in progress as well as controversial issues in the field of educational research can be presented and discussed with other researchers.

5. **Presentation and Discussion with representatives from Funding Organizations**, which will give insights on how to apply for third party funding.

For further information concerning the submission process, see page 2.

If you have any questions, please contact us at [cider-coordination@dipf.de](mailto:cider-coordination@dipf.de).

We look forward to welcoming you in Berlin!

**Prof. Dr. Monika Jungbauer-Gans (DZHW) - Prof. Dr. C. Katharina Spieß (DIW Berlin)**

**On behalf of the organizing committee**

## Abstract Submission Process

### Deadlines

- Submission deadline for contributions: ~~May 01, 2021~~  
**Extended deadline: June 01, 2021**
- Notification of acceptance: **July 01, 2021**
- Registration to the conference: **August 30, 2021**

### Submission

- Choose a format (paper presentation, poster presentation or round-table talk).
- Submit an abstract (350 words maximum, references excluded) to [cider-coordination@dipf.de](mailto:cider-coordination@dipf.de)

### Conference Fee

There is no participation fee and all meals during the workshop will be covered.

### Note

Depending on the development of the Covid-19 pandemic, the conference might possibly be changed to a virtual format. Participants will be informed about the final format in time.  
**The conference will take place in any case.**
